A private epicenter rising at the heart of the Empire Pass community providing a warm and welcoming gathering place for members and their family and guests. Our Ski Lounge with ski/boot storage and professional ski tuning make the transition from the lodge to the slopes seamless.

THE OUTPOST AT EMPIRE PASS

A favorite and incomparable Talisker Club amenity is The Outpost – a backcountry setting nestled in an aspen grove 9,000 feet above sea level. It's eclectic, curated and cozy. Gather in Adirondack chairs circled around a blazing fire, with a million stars lighting the skies. Step inside our own Yurt and enjoy savory fare from our Talisker Club chefs. Under warm summer skies, there is hiking, horseback riding, archery and hatchet throwing. Campfire Dinners offer a unique experience of all our activities with live music, and of course s'mores. When the snow flies, we take to the hills in our snowcat or on snowmobiles to access snowshoeing and backcountry tubing.
